

Andrews Heating and Air Conditioning's mission is to set a new standard for indoor comfort by engineering a comfort system unique to the layout of your home and your specific preferences. Our skilled craftsman and highly trained technicians lead the way in customer satisfaction during and after the sale. Andrews Heating and Air Conditioning, Inc. puts quality as our #1 priority.

Owned by Doug Andrews, we are a 3rd generation family owned business that has served the Wabash Valley for **Nearly 50 Years**. We specialize in Geothermal Systems, Air Conditioning, Heating and Indoor Air Quality. You are welcome to tour our show room, located at 447 N 9th St., Clinton, IN., to see our product displays.

Andrews Heating was a pioneer of geothermal technology, being one of the 1st to introduce geothermal systems to West Central Indiana and East Central Illinois in the early 80's. Andrews Heating has offered various quality HVAC equipment between the years of 1971 to 1992. We have been an Independent Authorized Dealer of American Standard Heating and Air Conditioning equipment since 1998. In 2009, 2011 & 2016, Andrews Heating was recognized by Duncan Supply Company, Inc. and American Standard Heating and Air Conditioning as a Dealer of the Year, a dealership that best exemplifies the "Qualities of Excellence".

We offer 24-hour emergency service, third party financing on installation and service, and a service agreement program to protect your investment.

Andrews Heating would like to thank you in advance for inviting us into your home and look forward to the next step of bringing you and your family the indoor comfort that you'll love to come home to. Visit us on the web at www.andrewsheating.com or by phone at (765) 832-9401.
